Real Merit

Is the characteristic of Hood's Sarsaparilla, and it is manifested every day in the remarkable cures this medicine accomplishes. Druggists say: When we sell a bottle of Hood's Sarsaparilla to a new customer we are sure to see him back in a few weeks after more—proving that the good results from a trial bottle warrant continuing its use. This positive merit

Hood's Sarsaparilla possesses by virtue of the Peculiar Combination, Proportion and Process used in its preparation, and by which all the remedial value of the ingredients used is retained. Hood's Sarsaparilla is thus Peculiar to itself and absolutely unequalled in its powers as a blood purifier, and as a tonic for building up the weak and weary, and giving strength to the nerves. Be sure to get

Hood's Sarsaparilla

BRIG GENEVA'S \$5000 FINE

Tacoma, Wash., Oct. 9.—By supposing that Honolulu was a full-fledged American port, Capt. Aas of the brig Geneva has incurred a fine of \$5000 for his vessel and an expense of \$300 for towing his vessel 200 miles, together with incidental costs. The Honolulu authorities gave the brig a clear bill of health. Seeing the American flag flying from the custom house, his vessel having been examined and certified to by American officials, Capt. Aas naturally concluded he was clearing from one American port to another, and that his next encounter with quarantine or customs officials would be at Tacoma. He accordingly sailed past the quarantine station at Port Townsend, favorable wind bringing him nearly to Tacoma before a tug was needed. Last night the tug Boyden, from Port Townsend, appeared and notified Capt. Aas that he had violated the quarantine laws and must return to Port Townsend. With many anathemas and forceful inquiries of the official as to "how a skipper was to know where he was at" in these days of annexation, the Geneva's captain hoisted anchor and returned to Townsend in tow. As usual, an attempt will be made to have the government remit the fine.

Declared to Be High Treason.

Capetown, October 11.—Sir Alfred Milner, Governor of Cape Colony and British High Commissioner in South Africa, has issued a proclamation declaring all persons, abetting the enemy in a state of war with Great Britain, to be guilty of high treason.

An important South African firm in London has received a dispatch from Capetown saying that a revolution of the Dutch in Cape Colony is regarded as imminent.

Earthquake Spreads Death.

Amsterdam, Oct. 12.—A dispatch to the Handelsblad from Batavia, capital of the Netherlands Indies. Java says that a violent earthquake has visited the south side of the island of Ceran, next to the largest of the Volcanoes, between Booroo and Papui, completely destroying the town of Ambei and killing instantly some 4000 people, as well as injuring some 500 others.

Lawsuit Dismissed.

San Francisco, October 6.—The half-million dollar lawsuit recently begun by the Hawaiian Commercial and Sugar Company against the Maui Island Railroad Company, Rudolph Spreckels and C. C. Spreckels has been dismissed by stipulation, a settlement of the dispute having been reached.

Ship Charles Moody Reinsured.

San Francisco, Oct. 13.—The American ship Charles Moody, owned by Lewis, Anderson & Co. of this city, is quoted as overdue at Honolulu from Norfolk, Va., with coal for the Government naval station at the Islands. The Moody is quoted locally at 45 per cent and is 178 days out, many weeks more time than is usually required to make the voyage.

Purchased for \$40,000,000.

London, October 10. — It is reported that at the coming session of Parliament the formal announcement will be made of the cession of Delagoa Bay, and the surrounding territory in Portuguese East Africa, to Great Britain. The price is said to be \$40,000,000.

Daisy Letter Engaged.

Calcutta, Oct. 8.—The engagement of Miss Daisy Leiter, youngest sister of Lady Carzon, to Major Colin Campbell of the Second Central India Horse, has been announced.

Printing photos in gold and silver is something new. Through the skill of our artist, N. Y. Itow, we are now able to present to the public of Honolulu views of the Islands finished in this beautiful manner, eminently suitable for gifts or mementos.
